

Dear Colleagues,

on behalf of the MinWat2020 Organizing Committee, we are pleased to remind you that MinWat2020 will be finally held from the 26th to 30th of June 2022. These are the very definitive dates trust us, and it will take place in presence in Caserta, Italy. Fortunately, at the moment in our country, the health situation is considered by all means acceptable to attend conferences in presence. However, given that the health situation may not be homogeneous in all countries of the world, a visual/digital platform will be also activated to ensure a wider participation to the Conference.

For these reasons, the Organizing Committee has also decided to give the opportunity to submit further contributions to the poster session, extending the deadline until January 31, 2022.

Please monitor the Congress website for further update and information.

We encourage you to put 26-30 June 2022 into your diary (future plans) and look forward to your participation in Caserta.

MinWat 2020 Organizing Committee
